

Administration System

Login page

A screenshot of the Admin Login Page. The page has a light gray background. In the center, there is a white rectangular box with a thin border. At the top of this box, the text "Admin Login Page" is centered. Below the title, there are two input fields: the first is labeled "Username" and the second is labeled "Password". Below these fields is a blue button with the text "Login" centered on it.

A screenshot of the Admin Login Page showing an error message. The page has a light gray background. In the center, there is a white rectangular box with a thin border. At the top of this box, the text "Admin Login Page" is centered. Below the title, there is a red rectangular box with rounded corners containing the text "The password must contain at least one symbol." Below this error message, there are two input fields: the first is labeled "username" and the second is filled with asterisks. Below these fields is a blue button with the text "Login" centered on it.
